ENFIELD HIGH

Preface

As the years pass, the time we have spent together at Enfield High School will seem very short. Some of us may look back and wish that they could relive this period of their lives. Whether this happens to you or not, it is comforting to know that no matter what the future holds these years will never be forgotten.

Good Luck To The Class Of 1990!

When we first came to Enfield High as freshmen, it seemed as if the next four years would be the longest of our lives. Now that we've finally made it, we look back and wonder where all the time has gone. We've all had our share of good and bad times here at Enfield High, but without them we couldn't have grown as much as we have. We've learned more about ourselves and others during these four short years than we probably will for the rest of our lives. Enfield High has given us something that can never be taken away. Memories . . .
